# CME Evaluation Summary

DMU Grand Rounds - Stillborn Births

February 7, 2019

Q1 - Please indicate the extent to which you agree with the following statements:

#	Please indicate the extent to which you agree with the following statements:	Strongly Agree		Agree		Neutral		Disagree		Strongly Disagree		Total
1	The content was appropriate to my (future) practice.	25.00%	7	**50.00%**	**14**	21.43%	6	3.57%	1	0.00%	0	28
2	This activity will make me more effective in my (future) practice.	17.86%	5	**46.43%**	**13**	17.86%	5	14.29%	4	3.57%	1	28
3	Overall, this activity was balanced and free of commercial bias.	39.29%	11	**57.14%**	**16**	3.57%	1	0.00%	0	0.00%	0	28

Q2 - Please rate the following:
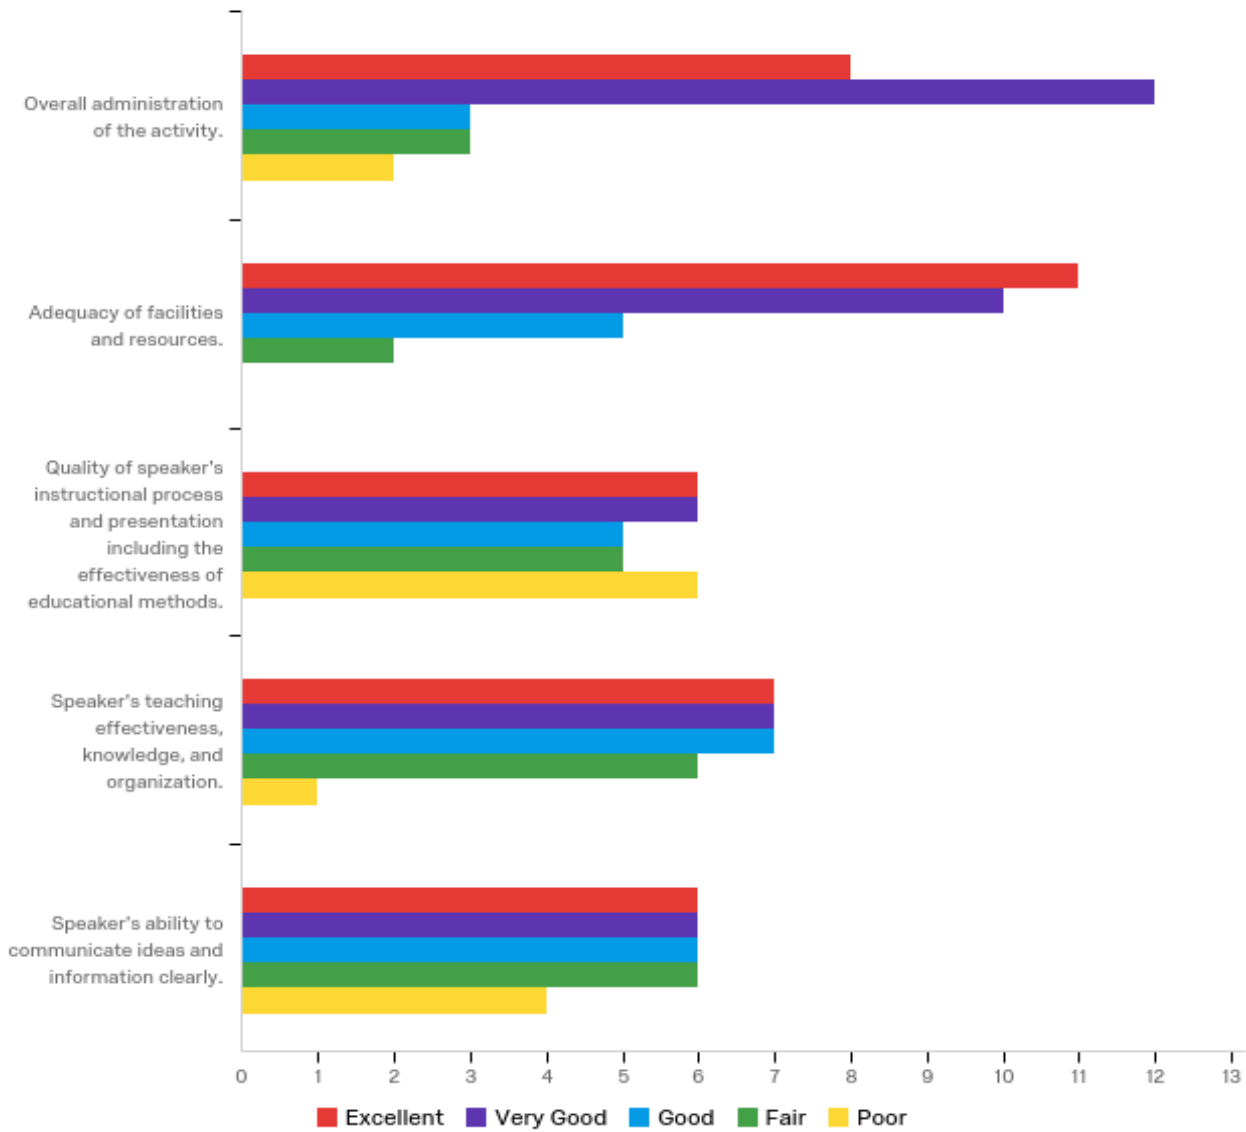

#	Please rate the following:	Excellent		Very Good		Good		Fair		Poor		Total
1	Overall administration of the activity.	28.57%	8	42.86%	12	10.71%	3	10.71%	3	7.14%	2	28
2	Adequacy of facilities and resources.	39.29%	11	35.71%	10	17.86%	5	7.14%	2	0.00%	0	28
3	Quality of speaker's instructional process and presentation including the effectiveness of educational methods.	21.43%	6	21.43%	6	17.86%	5	17.86%	5	21.43%	6	28
4	Speaker's teaching effectiveness, knowledge, and organization.	25.00%	7	25.00%	7	25.00%	7	21.43%	6	3.57%	1	28
5	Speaker's ability to communicate ideas and information clearly.	21.43%	6	21.43%	6	21.43%	6	21.43%	6	14.29%	4	28

Q3 - Did the activity meet your expectations in accomplishing the stated objectives?
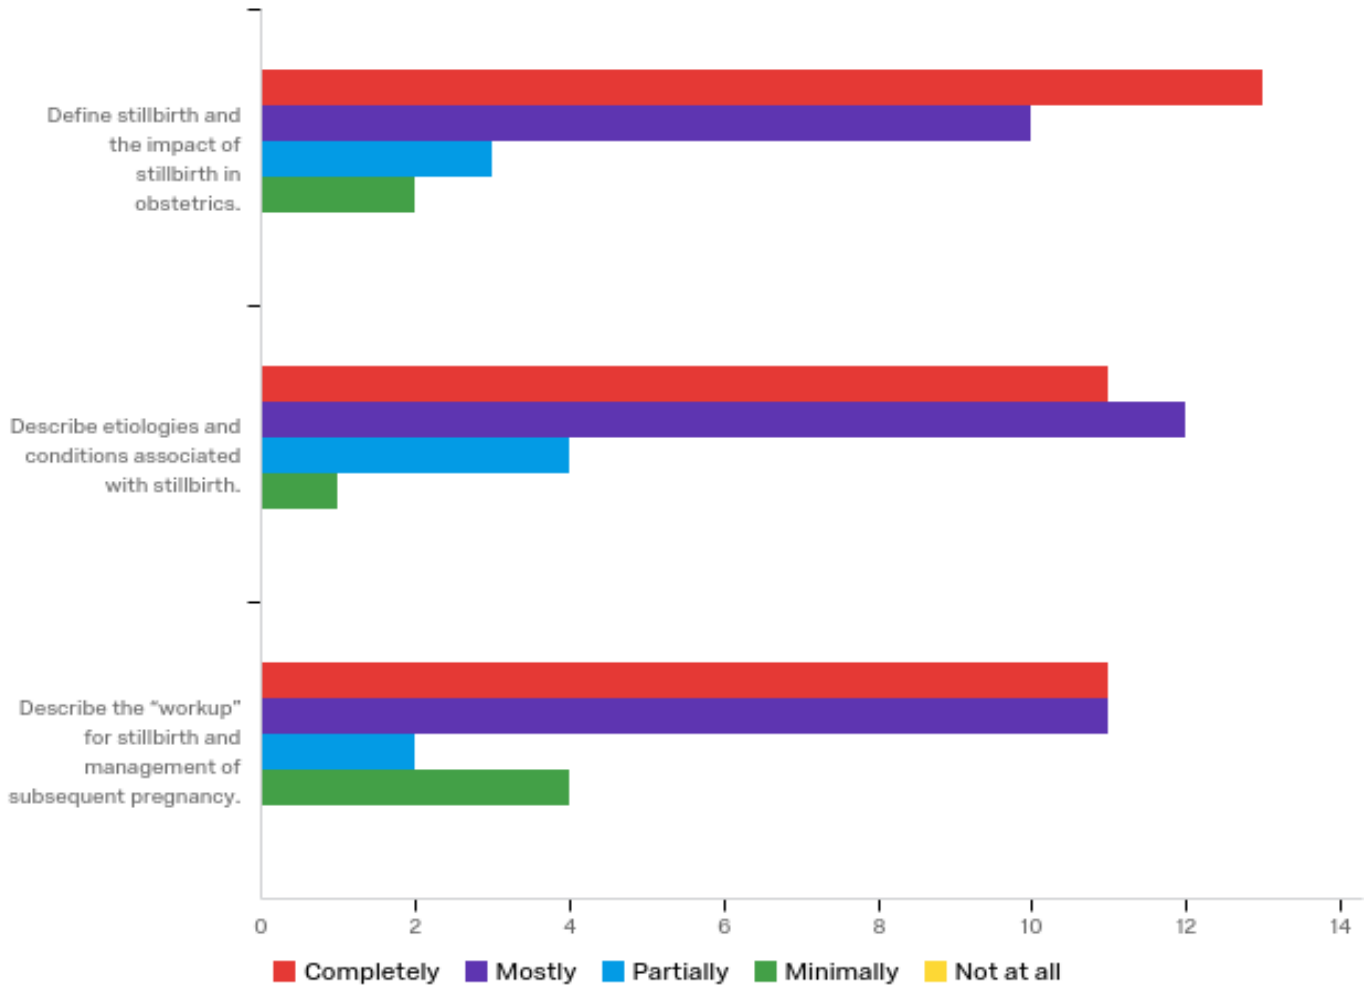

#	Did the activity meet your expectations in accomplishing the stated objectives?	Completely		Mostly		Partially		Minimally		Not at all		Total
1	Define stillbirth and the impact of stillbirth in obstetrics.	**46.43%**	**13**	35.71%	10	10.71%	3	7.14%	2	0.00%	0	28
2	Describe etiologies and conditions associated with stillbirth.	39.29%	11	**42.86%**	**12**	14.29%	4	3.57%	1	0.00%	0	28
3	Describe the "workup" for stillbirth and management of subsequent pregnancy.	**39.29%**	**11**	**39.29%**	**11**	7.14%	2	14.29%	4	0.00%	0	28

Q4 - This educational activity will result in a change in my (select all that apply):
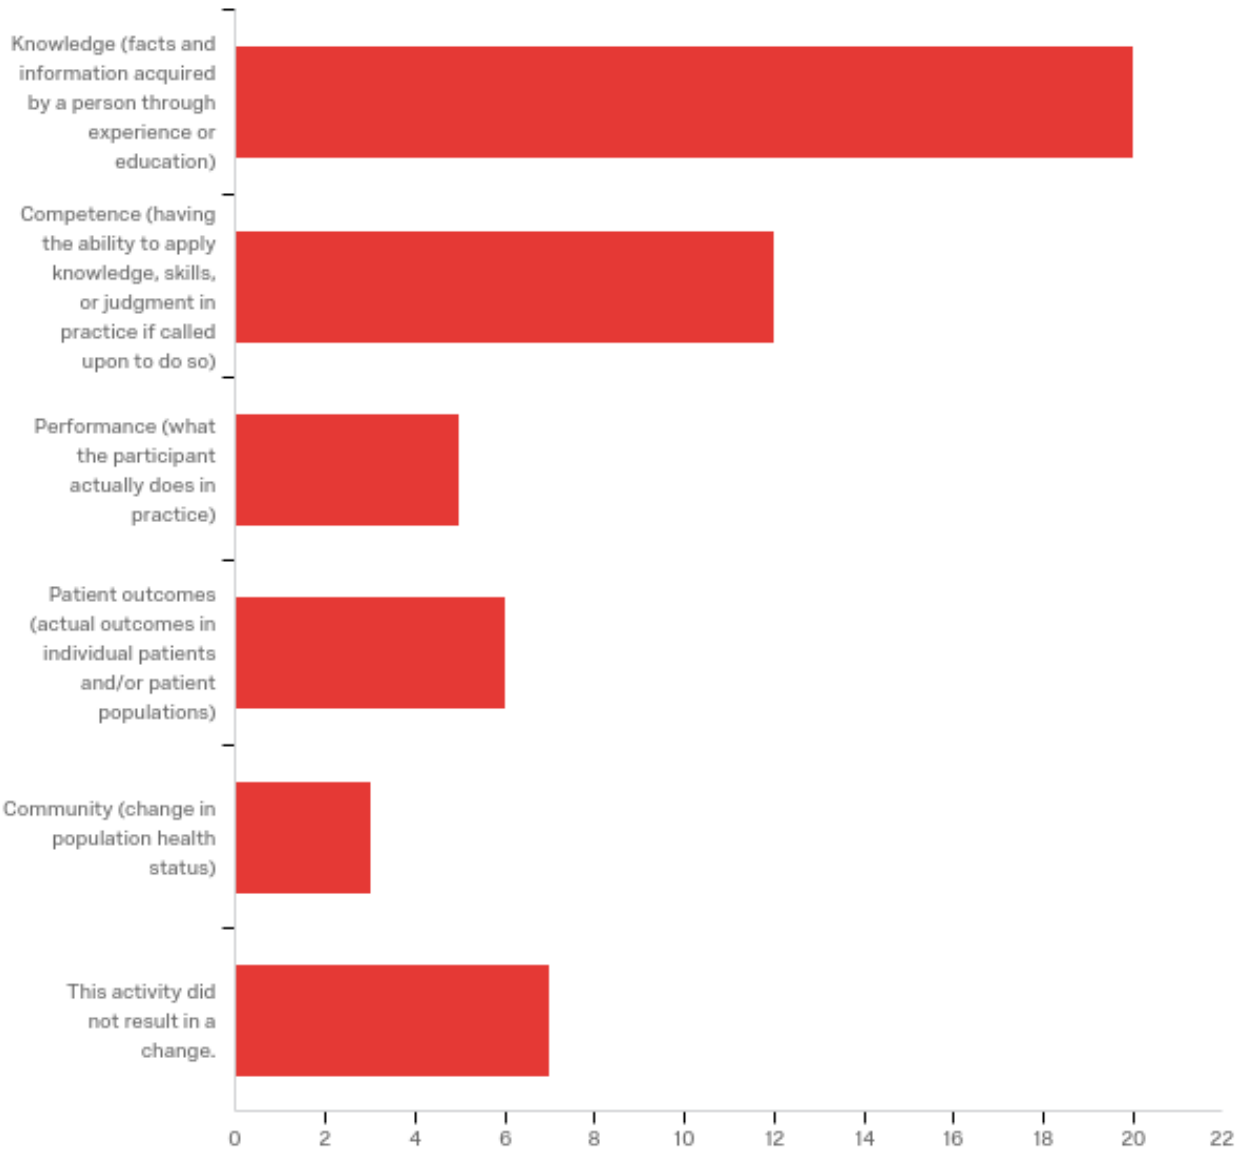

| #	This educational activity will result in a change in my (select all that apply):	%	Count
1	Knowledge (facts and information acquired by a person through experience or education)	37.74%	20
2	Competence (having the ability to apply knowledge, skills, or judgment in practice if called upon to do so)	22.64%	12
3	Performance (what the participant actually does in practice)	9.43%	5
4	Patient outcomes (actual outcomes in individual patients and/or patient populations)	11.32%	6
5	Community (change in population health status)	5.66%	3
6	This activity did not result in a change.	13.21%	7
	Total	100%	53

Q5 - Please describe any 'pearls' or takeaway messages.

- I thought this was highly beneficial to me since I am considering pediatrics/neonatology.
- If you are older or African-American, you are most likely to have a stillbirth.
- Patient care following stillbirth; full range of potential causes of stillbirth; genetic data that can be utilized in analysis of cause of stillbirth.
- 50% of stillbirths are inconclusive largely due to inadequate workup
- There is a large disparity between non-Hispanic black stillbirths and the general population. There are many different causes of stillbirth, many of which can be prevented with proper pre-natal care and education.
- As healthcare providers, we should encourage our patients to be active in their medical decisions and voice their opinions. In turn, we should value their perspective and understand their reasons for concern.

Q6 - Please note any changes or improvements in your practice that you plan to make as a result of attending this educational activity. If no changes are identified, please explain why (program format, content not appropriate, nothing learned, etc.)

- Understanding the need to explain still birth to patients and what to look for to prevent it.
- I found this extremely helpful to use in a future practice in regard to screening. I also thought it was beneficial that the lecturer discussed how to talk to a patient after they experience a stillborn birth.
- There won't really be any changes because the speaker was not engaging and primarily shared statistics that didn't convey much information to me.
- Weather delay was understandable, but the rest of the presentation was far too rushed, and I couldn't follow the presenter well.

Q7 - Please identify any barriers that you perceive in implementing any changes. Select all that apply.
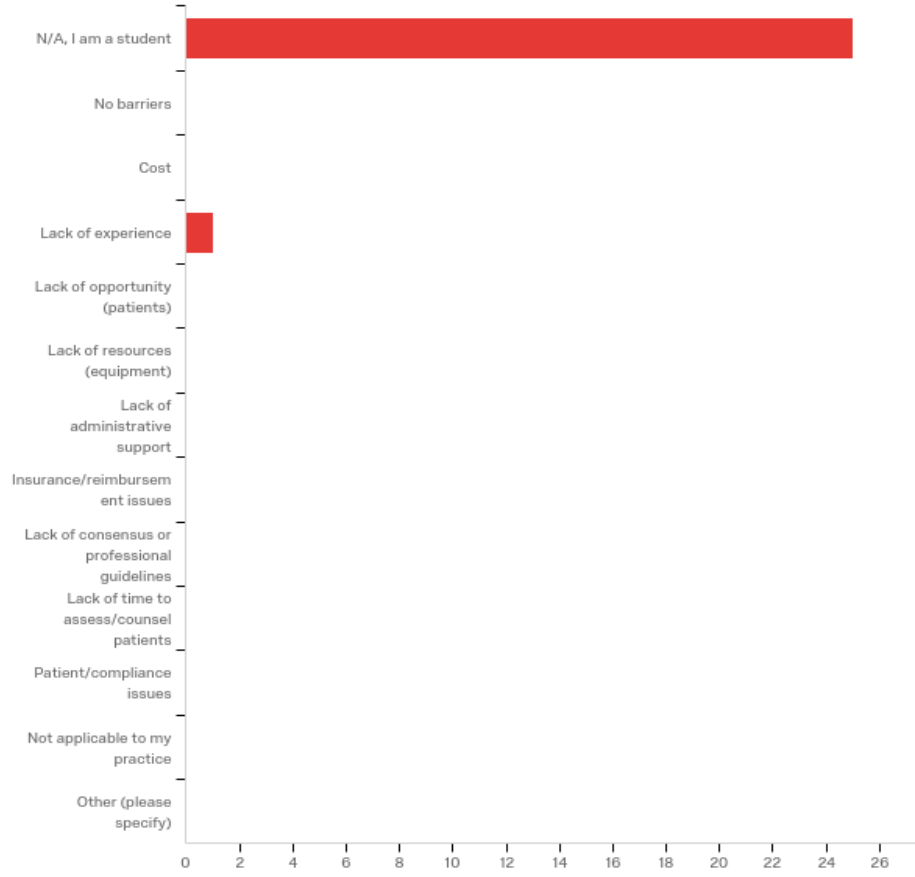

#	Please identify any barriers that you perceive in implementing any changes. Select all that apply.	%	Count
1	N/A, I am a student	96.15%	25
2	Lack of experience	3.85%	1
3	No barriers	0.00%	0
4	Cost	0.00%	0
5	Lack of opportunity (patients)	0.00%	0
6	Lack of resources (equipment)	0.00%	0
7	Lack of administrative support	0.00%	0
8	Insurance/reimbursement issues	0.00%	0
9	Lack of consensus or professional guidelines	0.00%	0
10	Lack of time to assess/counsel patients	0.00%	0
11	Patient/compliance issues	0.00%	0
12	Not applicable to my practice	0.00%	0
13	Other (please specify)	0.00%	0
	Total	100%	26

Q8 - How will you address these barriers in order to implement these changes in your practice?

- Students only responded to this question so there are no comments regarding ways to implement changes in current practice.

Q9 - Do you have any unanswered questions or additional comments?

- There were no unanswered questions or additional comments.
