Subject: CE Certificate Available - FASST: Diabetic Surgery Symposium, Feb 12-14, 2021

Greetings!

Thank you participating in the educational activity “FASST: Diabetic Surgery Symposium” held on February 12-14, 2021. Des Moines University (DMU) is the continuing education (CE) provider for this activity. You are now able to access your certificate by logging in to your DMU CE account. [Information regarding the course can be found online.](#)

Session recordings are now available on the [conference materials website](#). If you have not already, please also complete the evaluation linked on the [materials website](#). We truly value your feedback, and results will be used in the planning of future FASST conferences. The evaluation will remain open through this Sunday, February 21.

To access your certificate, please follow the steps below.

1. [Log in to your DMU CME account.](#)
 - o Enter your username and password.
 - o *Username:* Your username is the email address that received this message.
 - o *Password:* If you are unable to remember your password or if this is your first time logging in to your account, you will need to click on the “Request New Password” tab. This will send you an email with a one-time link to set up your password. If you do not receive an email in your inbox, please check your junk mail box.
2. After logging in, you should be directed to your “my account” page. You may also select the “my account” button at the top right-hand corner of the webpage.
3. Select the “my activities” tab.
4. You should see a list of the learning and/or teaching activities you’ve completed through DMU CE. From there you are able to download a copy of your certificate or transcript.

You are invited to join us for the following **upcoming continuing education activities!** Additional opportunities may be found by visiting our [website](#). DMU also offers an [online enduring materials catalog](#) for your on-demand learning needs.
