

The Iowa Clinical Education Collaborative
Presents
APTA
CREDENTIALLED CLINICAL INSTRUCTOR PROGRAM
Level I

July 15 and July 16, 2024
Des Moines University, Munroe Building
3200 Grand Ave, Des Moines, IA

Course Description

This course addresses planning and implementing clinical education experiences for physical therapy and other health care field students. The program is divided into two parts: (1) clinical instructor education for all participants and (2) credentialing for PT/PTAs in the course through Assessment Centers.

Objectives

The CI Program addresses issues of:

- Plan and prepare for physical therapy students during their clinical education experience.
- Support continuing education through questioning and effective feedback.
- Acquire performance evaluation skills.
- Identifying and managing students with exceptional situations.
- Recognize legal implications for clinical educators, including issues presented by ADA legislation.

Intended Audience

The CCIP Level I is a voluntary program designed primarily for people interested in or involved with clinical education, such as clinical instructors, site coordinators of clinical education, and directors of clinical education. Other health care providers who offer clinical education in a supervisory role to students, including physical therapists and physical therapist assistants, and health care providers from other professions can use this program to enhance their clinical instruction education.

Credit

Successful completion by PTs and PTAs can earn 1.6 CEUs (16 contact hours) and the APTA CCIP Level I Credential. Other healthcare professionals receive 1.2 CEUs (12 contact hours). They are not awarded the Level I CI Credential. APTA will provide the certificates for continuing education credit.

Note: All participants must attend each session in its entirety and complete the Assessment Centers to be eligible for APTA CI credentialing.

Presenters:

Amanda Crouch, PT, DPT is the Coordinator of Student Affiliations for Rock Valley Physical Therapy's sixty-four clinics. Amanda is also a senior PT and the clinic manager in the Cedarwood Muscatine office. Amanda received her Doctor of Physical Therapy degree from St. Ambrose University in 2011. She returned to campus to serve as a teaching assistant in 2016 and 2017. Amanda has provided guest lectures on the topic of chronic pain to Clarke University, St. Ambrose University, and University of Iowa PT programs over the past fourteen years. She currently serves as Clinical Affiliate Faculty for St. Ambrose University and Adjunct Faculty for University of Iowa. She is a collaborator on the 2022 CSM Poster Presentation - Promoting Excellence with Evidence Based Teaching in Part-Time Integrated Clinical Education. Amanda has served on the NCCE as a clinical director at large and as ACAPT task force member for the Task Force on Clinical Partner Engagement in Academic Physical Therapy.

Kelly Sass, PT, PhD is a Clinical Assistant Professor and Co-DCE in the University of Iowa Department of Physical Therapy and Rehabilitation Science. Kelly served as a Clinical Instructor at St. Luke's Hospital in Cedar Rapids, Iowa, prior to joining the University of Iowa faculty in 1997. Kelly has been practicing physical therapy since 1993 and received her doctorate in Educational Psychology in 2016. In addition to her teaching, she works PRN at the Eastern IA Rehab Hospital in Coralville, IA.

Tracy Porter, PT, DPT, EdD is the assistant director of clinical education and associate professor in the Des Moines University Department of Physical Therapy. Prior to joining Des Moines University, she served as academic coordinator of clinical education for a physical therapist assistant program. She has 24 years of clinical experience in a variety of practice settings. Areas of expertise include temporomandibular joint dysfunction,

pathophysiology, and wellness. Dr. Porter graduated from Des Moines University in 1997 with a Master of Science in physical therapy and earned her Doctor of Physical Therapy degree from Washington University in 2012. She graduated with a Doctor of Educational Leadership degree from Concordia University in 2020. She has been active in leadership in APTA Iowa as delegate, secretary, vice president, and president.

Cindy Utley, PT, DPT, CEEAA is the DCE and Associate Professor in the DPT Program at Des Moines University. She has been in this position since 2014 and has also served as Assistant DCE since 2009. Cindy served as a clinical instructor at Mercy Medical Center in Des Moines, Iowa, before joining the faculty at Des Moines University. Cindy has been practicing physical therapy and serving in various management roles since 1991, and continues to practice as a PRN physical therapist at MercyOne Des Moines Medical Center

Tuesday, July 16, 2024

7:45 a.m. Check-in

8:00 a.m.–5:00 p.m. Course Program

Note: This schedule includes a 30-minute lunch (provided). Directions, parking, and hotel information will be sent with your confirmation.

Registration Information

Registration Fees:

- APTA Member (PT/PTA) \$175
- APTA Non-Member (PT/PTA) \$275

Registration includes APTA Level I e-manual, Assessment Center, CI credential (PTs and PTAs only), CEU certificate(s), Level I CI credential pin, registry in an APTA database, learning materials, and lunch.

REGISTRATION Steps:

- To register, go to the APTA website for the CCIP course: <https://ccip.apta.org>
- Access the CCIP online system, which takes you to the APTA login screen. If you are an APTA member, this will be your APTA login screen. If you are not an APTA member, choose Create a Free Account.
- When you enter the registration fields you will need to select the Des Moines Course offering.
- Complete all the registration fields.
- Once APTA registration is completed, go to the DMU link <https://cme.dmu.edu/apta-2024> to pay for the course.

Pre-course Assignment

There is pre-course work to be completed before attending the CCIP Level I course. The assignment prepares participants for the discussion and cases addressed during Section I of the course.

Items Needed to Complete the Registration:

- ◆ Copy of current professional license
- ◆ Credit Card

REGISTRATION DEADLINE: Monday, June 24, 2024

Registration will be limited to 30 participants. A nonrefundable administrative fee of \$20 will be charge for all cancellation received 72 hours before the start of the course. If you withdraw within 72 hours of the course start date, you will not receive a refund of the registration fees.

Please note: If you have a voucher from any of the Iowa PT programs that you are hoping to use as part or all of payment, we recommend verifying with that program first. It should then be submitted with your registration. A limited number of vouchers will be accepted.
