## FACULTY DEVELOPMENT ACADEMY

### *InnovatED: AI and Technology in Teaching Series*

#### **AI Current Landscape and Future**

*This session offers a comprehensive overview of the current landscape of artificial intelligence (AI) applications in medical and health professions education. Participants will be guided through a mapping of the existing literature, highlighting key areas of impact, emerging trends, and critical gaps that warrant future research. The speaker will also share insights from his own experience integrating AI into educational design and research, illustrating how these technologies are shaping innovative teaching practices and advancing scholarly inquiry. Attendees will leave with a clearer understanding of AI's potential and practical strategies for leveraging it in their own educational contexts.*

**TUESDAY, SEPTEMBER 16, 2025 / 12pm - 1pm / Via ZOOM**

**MODERATOR:**

Nehad El-Sawi, PhD

*Assistant Vice-President  
Academic Innovation and Enhancement  
Office of Academic Affairs*

**SPEAKER:**

Morris Gordon,  
MBChB, PhD, MEd
