

The Dr. Robert and Brenda Good FACULTY DEVELOPMENT ACADEMY

Reflections from the 2025 IAMSE Annual Meeting

Dr. Martin Schmidt will share his insights and observations about the 2025 IAMSE Annual Conference that was held in Minneapolis, MN. The conference featured a diverse program with pre-conference workshops, keynote presentations and interactive sessions focused on medical science education. Key topics included innovative teaching methods, curriculum development and the integration of technology, particularly artificial intelligence, in medical education. The event also provided ample networking opportunities, allowing attendees to connect and share best-practices with peers from around the world.
