FACULTY DEVELOPMENT ACADEMY

Academic Advising: Lessons Learned & Best Practices

They say experience is the best teacher. Are you ready for some home-grown academic advising pointers? This session is designed as an overview of the essential practices of academic advising and will feature lessons from our own academic advisors with an opportunity for discussion about taking advising to the next level. Additional resources will be discussed.

THURSDAY, DECEMBER 11, 2025 / 12pm - 1pm / Via ZOOM
