

The Dr. Robert and Brenda Good FACULTY DEVELOPMENT ACADEMY

How To Make PDFs Accessible

This workshop covers the basics of creating accessible PDFs. We will discuss why accessibility matters and how to build accessibility into documents. The workshop will also include concepts such as document structure, reading order, alt text, and color contrast. Attendees will learn how to check PDFs for accessibility and a simple checklist will be provided.

TUESDAY, FEBRUARY 3, 2026 / 12pm - 1pm / Via ZOOM
