

2021 GI Oncology Virtual Conference

Friday, March 5, 2021 | 8 a.m – 12:30 p.m. CT

AUDIENCE

Healthcare professionals with direct impact on patients that either have previously had cancer or are undergoing current cancer treatment.

OBJECTIVES:

- Discuss the role of genetic testing for colorectal and pancreatic cancers
- Compare the role of endoscopic mucosal resection vs. endoscopic surgical dissection in non-operative candidates
- Define the role of oncology nurse navigator in the setting of gastrointestinal cancer patients
- Explain the pros/cons of screening earlier for colorectal cancer
- Illustrate the successful outcomes an NAPRC program has on colorectal cancer treatment
- Measure the impact of genetic testing in identifying early stage cancer

ACCREDITATION

MD: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Iowa Medical Society (IMS) through the joint providership of Des Moines University (DMU) and MercyOne Cancer Center Des Moines. DMU is accredited by the IMS to provide continuing medical education for physicians. DMU designates this live activity for 4.0 *AMA PRA Category 1 Credit(s)*TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

DO: Des Moines University (DMU) is accredited by the American Osteopathic Association (AOA) to provide osteopathic continuing medical education for physicians. DMU designates this program for a maximum of 4.0 AOA Category 2-A credits and will report CME and specialty credits commensurate with the extent of the physician's participation in this activity.

Nurse: Des Moines University is Iowa Board of Nursing approved provider #112. This live activity has been reviewed and approved for 4.0 continuing education contact hour(s). Nurses must attend the entire session within each day to receive credit. Partial session credit is prohibited and will be forfeited.

Other healthcare providers: This live activity is designated for 4.0 *AMA PRA Category 1 Credit(s)*TM.
