

***Having the freedom to remain in your own home is important as you age or face long-term health concerns. At A Plus Home Care Services and Supplies, we specialize in assisting with personal care and household tasks, giving you the ability to stay where you feel safe and comfortable.***

### **Services**

From cleaning and laundry to running errands and meal planning, the compassionate staff at A Plus Home Care Services and Supplies can help you with a variety of day-to-day tasks. We provide personal care in many forms, including assisting with bathing or showering and mobilization activities such as turning, transferring, walking and exercising. We also offer a wide assortment of home care supplies, including walkers, wheelchairs, bed rails, shower benches and incontinence supplies.

In addition to our caregivers providing personalized care, we have a team of professional case managers who may help you coordinate with other professionals, develop care plans, make referrals, and arrange for service schedules according to the clients' and family wishes. Our Geriatric Nurse Case Managers can conduct assessments to find clients' functioning capabilities, to identify their needs, determine what services are required and assist in their development of optimum independence.

Transportation assistance is offered through our Legs on Lease service, which is available to take you to and from the grocery store, worship services, appointments or anywhere you need to go!

### **Getting Started**

When you choose A Plus Home Care Services and Supplies, a case manager will conduct an assessment to identify your specific needs and develop a care plan with services to compliment your lifestyle. We'll establish a customized schedule and will select and assign personnel based on your needs and personalized requests.

### **Stay Connected**

As our client, we will continually complete assessments and reviews as needed, adjusting your personalized care plan as needed. You'll have the ability to call us day or night to report concerns or changes to your scheduled services. Your loved ones will take comfort in receiving updates through our online family portal, ensuring transparency and open communication.

### **Our Commitment to You**

Your health and well-being is our top priority. As your home health partner, you can rely on our team of nurses and caregivers to provide the help you need, when you need it. We will focus on your specific needs while respecting your privacy and maintaining confidentiality. A Plus Home Care Services and Supplies caregivers undergo a thorough background check, including a review of criminal records. Caregivers are covered by comprehensive liability insurance and are bonded.
