## 2016 - 2018 CME Cycle

### CME

Show your commitment to patient care by reporting your CME. The AOA encourages all members to earn 120 credits over a three year cycle, of which 30 CME credits should be recorded in AOA Category 1-A. The remaining credits may be accumulated in any category: 1-A, 1-B, 2-A or 2-B. This amount should satisfy most state licensing and AOA Specialty Board requirements.

**AOA Recommendation: 120.00 CME Credits from 1/1/2016 to 12/31/2018**

	Credits Recommended	Credits Submitted	Credits Applied	Credits Needed	Recommendation Fulfilled
Total Credits (1A, 1B, 2A, 2B combined)	120.00	105.75	105.75	14.25	NO
At least 30 of your credits should be in Category 1A Category 1A	30.00	105.75	105.75	0	YES

### AOA Board Certification: Specialty Mandated CME

Members who are board certified must earn a minimum of 50 CME credits (Category 1 or 2) in their specialties. For osteopathic physicians holding certain subspecialty certifications or certifications of added qualification (CAQs), a minimum of 13 of the 50 credits must be earned in each subspecialty or CAQ. If certified by the AOBEM, AOBFP, and/or AOBMM, the total CME credit requirement is 150 credits to meet certification requirements. Physicians entering the program in mid-cycle should contact the AOA Customer Resource Center (CRC) for additional information. Contact the AOA at (312) 202-8000 or (888) 62-MY-AOA (888-626-9262), or email [crc@osteopathic.org](mailto:crc@osteopathic.org).

Please see the Specialty CME Details below to view how reported CME activities were applied to this requirement.

*Please refer to OCC for additional Board requirements*
