

Guest Lectures

Cynthia “Cyd” Gillett, DVM, DAACLAM, CPIA, is the institutional veterinarian and director of Research Animal Resources at the University of Minnesota. Dr. Gillett is responsible for administration of the animal care and use program and for regulatory oversight, compliance, and training related to animal care and use. Dr. Gillett earned her veterinary degree from Michigan State University and is an ACLAM board-certified laboratory animal veterinarian. Dr. Gillett is a council member emeritus of AAALAC and a former board member and president of ACLAM. She is also active in many laboratory animal professional organizations, and is on many committees for AALAS and ACLAM. She is a chapter author for “Animal Housing and Use Sites” in *The IACUC Handbook, 1st and 2nd Editions*.

Melanie Graham, MPH, Ph.D.

Assistant Professor, Department of Surgery,
Program Director, Preclinical Research Center,
Associate Vice Chair, IACUC, University of
Minnesota

IACUC Approval in the Ever Changing Research Environment

**Friday, June 14, 2013
12 – 5 p.m.**

**Des Moines University
Olsen Medical Education Center
3200 Grand Avenue
Des Moines, IA, 50312**

DES MOINES  UNIVERSITY

There are a host of new considerations and challenges coming to the IACUC with each new application. What should committees prioritize and what are the issues that they need to consider when reviewing applications? Join us to ensure your committee and investigators are well prepared for these challenges.

Jeffrey T. Gray, MS, Ph.D.
Vice President for Research,
Des Moines University
