

DMU MENTORED STUDENT RESEARCH PROGRAM

DES MOINES UNIVERSITY
OFFICE OF RESEARCH

Monday, July 18, 2014
9 a.m. - 1 p.m.

Des Moines University, Olsen Center
All are invited to attend.

RESEARCH IS VITAL AND AT DMU, STUDENTS ARE VITAL TO RESEARCH.

Contributions from students are vital in helping move campus research forward. The Mentored Student Research Program is an excellent opportunity for students to highlight their research findings. We're excited to offer both oral and poster presentations and all summer research students are invited to participate. Students may present on any topic or experience related to research.

Agenda

- 9 a.m. Registration and Poster Viewing
- 9:30 a.m. Welcome
